Tenant Selection Plan and Screening Criteria

Section 8 HUD/Low Income Housing Tax Credit, HUD subsidized housing for low-income seniors and disabled persons

I. Occupancy Policy

1. Occupancy is based on the number of bedrooms in a unit. A bedroom is defined as a space within the premises that is used primarily for sleeping, with at least one window and a closet for clothing. Two persons are allowed per bedroom.

II. Project Eligibility Requirements:

1. **Project specific Requirements:** The head of household must be sixty-two (62) years of age or older. Residents may be under sixty-two (62) years of age if they are disabled.
2. **Citizenship Requirement:** HUD restricts assistance to non-citizens with ineligible immigration status and requires applicants to complete citizenship declaration forms and submit evidence of citizenship or eligible immigration status at the time of application.
3. **Social Security Number Requirements:** All household members including live-in aides must disclose and document Social Security numbers. The Social Security Number requirements do not apply to individuals who do not contend eligible immigration status and individuals age 62 or older as of January 31, 2010, whose initial determination of eligibility was begun before January 31, 2010. If the applicant is unable to disclose/verify the Social Security numbers of all non-exempt household members, the applicant will be determined ineligible. The applicant who has not provided required Social Security Number information for all non-exempt household members has 90 days from the date they turn in an application to disclose/verify the Social Security Numbers. During this 90-day period, the applicant may retain its place on the waiting list. After 90 days, if the applicant is unable to disclose/verify the Social Security Numbers of all non-exempt household members, the applicant should be determined ineligible and removed from the waiting list.
4. **Student Eligibility Requirements:** Households comprised entirely of full-time students are not eligible, with four exemptions.
 - All of the students are entitled to file a joint federal income tax return
 - The household consists of a single parent (with custody) of school age child or children
 - The household receives assistance under the TANF program as such program activities and participation are related to families with dependent children
 - The tenant(s) in the household are enrolled in and receiving assistance under the Workforce Investment Act (WIA) or similar governmental job-training program.

III. Income Limits:

1. Rent at the 1200 Building is approximately 30% of the applicant's adjusted gross monthly income.

Employment or other source of income will be verified through a third party. Employment of self-employed applicants will be verified through state and/or federal documents. A recorded business name or corporate filing will be sufficient to meet employment requirements.

a. At the 1200 Building we accept applicants who meet the Very-Low and Extremely-Low Income requirements for Multnomah County. Annual Income limits are available at the managers office

1200 Building 1220 SW 12th Ave. Portland OR 97205 Ph 503-248-0260 Fax: 503-248-9604

IV. Procedures for Accepting Applications and Pre-applications:

1. An applicant must submit a completed Application for Admission & Rental Assistance. Included in a complete application is an accurate listing of the applicant's current rental/residential reference and last three (3) years of rental/residential history, with phone numbers. If the application is incomplete, the applicant will be notified in writing and his/her name will not be placed on our waiting list. If an applicant needs help filling out the application please notify our office and we will assist the applicant with the application process.
2. A positive identification in the form of picture identification stating the date of birth will be required in order for us to accept the application.
3. Each applicant will be required to qualify individually. (Individuals intending to occupy the same apartment, whose credit is not combined, must submit separate applications.)
4. The 1200 Building maintains two separate waiting lists; one is for applicants over the age of 62 and the other is for applicants under the age of 62 and disabled. All vacancies are filled from these two lists. Applicants are not screened until the applicant approaches the top of the waiting list.
5. The Applicant's position on the waiting list is determined by preference (see section V. *Procedures for Applying Preferences*) and the date/time on which all application materials are received at the office. The applicant should contact the 1200 Building office in writing if any of the information on their application changes. **If we are unable to contact the applicant due to an unreported change, they will be dropped from the waiting list.**
6. We require all applicants to contact us at least once during every six (6) month period that their name is on our waitlist. The applicant must contact us during business hours which are Monday through Friday 10 am to 4 pm. If the cutoff date for the six (6) month period falls on a weekend or holiday then we expect to be contacted no later than 4 pm on the following business day. **If the applicant fails to contact us during the six (6) month period, their name will be removed from the waitlist without any further notification.**
7. Apartments are rented to eligible persons in the order of receipt. If the applicant refuses the apartment they are offered, they can choose to be removed from the waitlist or moved to the bottom of the waitlist. An applicant can request to be moved to the bottom of the waitlist one time. If they wish to be moved to the bottom of the list again they will be asked to fill out a new application and it will only be accepted if the waitlist for which they qualify is open.
8. If the application is approved and the applicant accepts the available unit, they will be required to sign a rental agreement in which they will agree to abide by all of the 1200 Building's rules and regulations. The applicant is encouraged to read the rental agreement at the time of application. The applicant will also be required to pay a security deposit equal to one month's rent and utilities.

V. Procedures for Applying Preferences:

1. The 1200 Building Apartments population is comprised of elderly 62 years and older and under the age of 62 with a disability. We will fill vacancies with applicants from the elderly waiting list first. If there are no qualified applicants 62 years or older, then we will fill vacancies from the waitlist for applicants under the age of 62 and disabled.
2. HUD requires that no less than 40% of the admissions to any project assisted through the project-based section-8 program in any fiscal year must be Extremely Low-Income households. Income targeting will be analyzed semi-annually to ensure the 40% target is met. In keeping with HUD's Income Targeting Policies, applicants whose incomes are below the Extremely Low-Income limit (30% of the area median income) may receive preference over another applicant in a higher position on the waitlist when a unit becomes available. To implement this preference the first Extremely Low-Income applicant on the waiting list will be selected for the available unit (which means "skipping over" some applicants with

higher incomes). Once we have met our 40% Extremely Low-Income requirement we will select the next eligible applicant currently at the top of the waiting list, regardless of income level, for the next available unit.

3. In addition to meeting the HUD & LIHTC project requirements, units on the second floor are part of a shared attendant Program referred to as The 1200 Building Project. The project is administered by Multnomah County Aging and Disability Services (ADS) as an agent for State of Oregon Department of Human Services (DHS), Seniors and People with Disabilities Division (SPD). The services are currently provided under a DHS contract with Adventist Health Personal Care Services.

Targeted participants will have specialized living services and will be adults who meet the meet the following requirements:

- 1) Have severe disabilities, such as spinal cord injuries, brain injuries or quadriplegia from accident, illness or disease resulting in the inability to perform activities of daily living (ADLs) without the assistance of another person
- 2) Are at risk of institutionalization because of physical condition
- 3) May need assistance in managing physical and/or emotional needs that might otherwise put them at risk of harm to themselves or others
- 4) Require substantial assistance with ADLs, social and restorative services

Participants will not be required to maintain involvement in the service program to maintain housing.

VI. **Applicant Screening Criteria:**

1. **Rental Requirements:** Three (3) years of eviction-free rental/residential history will be required. Rental History reflecting more than \$500.00 in damages will result in denial, regardless of settled debt. Rental history demonstrating documented noise, disturbances, or other complaints will result in denial when the manager would not re-rent. Rental history reflecting past-due rent will result in denial (unless the debt has been settled and the manager would re-rent). All Applicants MUST disclose if they are currently receiving HUD housing assistance. The owner/agent will not knowingly assist applicants who will maintain a residence in addition to the HUD-assisted unit. The owner/agent will use the Enterprise Income Verification System (EIV) to determine if the applicant or any member of the applicant household is currently receiving HUD assistance. Nothing prohibits a HUD housing assistance recipient from applying to this property. However, the applicant must move out of the current property and/or forfeit any voucher before HUD assistance on this property will begin. Special consideration applies to Recipients of HUD assistance in another unit who are moving to establish a new household when other family/household members will remain in the original unit.
2. **Credit Requirements:** Good credit will be required for an unconditional approval. If negative or adverse credit is reported, the following criteria will be used:
 - a. Outstanding bad debt of more than \$3,000 reported on the credit file will result in denial, unless the debt is a verifiable medical expense, or the debt is a bankruptcy and no negative information has been reported since the bankruptcy.
 - b. Ten or more past-due accounts on the credit file will result in denial.

3. **Criminal Convictions:** When an applicant's name approaches the top of the waiting list, a search of public records will be conducted to determine whether the applicant or any proposed tenant has been convicted of, or pled guilty to or no-contest to, any crime. The following shall be grounds for denial of the rental application:
 - a. A conviction, guilty plea or no-contest plea, ever, for any felony involving serious injury, kidnapping, death, arson, rape, sex crimes including child sex crimes, extensive property damage or drug-related offenses (sale, manufacture, delivery or possession with intent to sell), class A/Felony burglary or Class A/Felony robbery;
 - b. A conviction, guilty plea or no-contest plea, where the date of disposition, release or parole has occurred within the last seven years for any other felony charges;
 - c. A conviction, guilty plea or no-contest plea, where the date of disposition, release or parole has occurred within the last seven years for any Class A misdemeanor or gross misdemeanor involving assault, intimidation, sex related, drug related (including sale, manufacture, delivery or possession), property damage or weapons charge;
 - d. A conviction, guilty plea or no-contest plea, where the date of disposition, release or parole has occurred within the last three years for any Class B or C misdemeanor in the above categories or any misdemeanor involving criminal trespass I, theft, dishonesty, or prostitution.
 - e. Subject to a lifetime sex offender registration requirement in any state.

Pending charges or outstanding warrants for any of the above will result in a suspension of the application process until the charges are resolved. Upon resolution, if an appropriate unit is still available, the processing of the application will be completed. No unit will be held awaiting resolution of pending charges.

4. **Alcohol Abuse:** Any applicant whose abuse or pattern of abuse of alcohol interferes with the health, safety, or right to peaceful enjoyment of the premises by other residents will result in denial of the rental application.

VII. Live-in Aide Screening Criteria:

1. Your current rental/residential reference and your last three years of rental/residential history will be verified.
2. Three years of eviction-free rental/residential history will be required. Evictions due solely to nonpayment of rent will not result in denial as live-in aids are not responsible for rental payments.
3. Rental history reflecting more than \$500.00 in damages will result in denial, regardless of settled debt.
4. Rental history demonstrating documented noise, disturbances, or other complaints will result in denial when the manager would not re-rent.
5. Applicants who are subject to a lifetime sex offender registration requirement in any state, will be denied.

VIII. Rejection Policy

1. Incomplete, inaccurate, or falsified information will be grounds for denial.
2. Any applicant currently using illegal drugs or reporting a conviction for the illegal manufacture or distribution of a controlled substance shall be denied.
3. Any individual who may constitute a direct threat to the health and safety of an individual, the complex, or the property of others will be denied.

4. If the application is rejected due to unfavorable information received on the applicant's background investigation, they will receive a letter from Pacific Screening detailing the reason(s) they were rejected. After they receive the letter from Pacific Screening, they may:
 - a) Contact Pacific Screening to discuss their application. PO Box 25582, Portland OR 97298. (503) 297-1941
 - b) Contact Pacific Screening to find out the name of the credit reporting agency which is reporting the unfavorable information.
 - c) Correct any incorrect information through the credit reporting agency as per their policy.
 - d) Request that the credit reporting agency submit a corrected credit check to Pacific Screening.

Upon receipt of the correct and satisfactory information, the application will be reevaluated for the next available unit.

5. If, after the applicant has contacted Pacific Screening, they continue to feel that they qualify as a resident under the criteria set out above and they wish to discuss the rejection of their application, wish to request a reasonable accommodation, or if they wish to make a discrimination complaint they should write a letter to:

**1200 Building
Equal Housing Opportunity**
1220 SW 12th Avenue
Portland, OR 97205

In the letter, please explain the reasons the applicant believes their application should be approved and request a review of their file. If they are requesting a reasonable accommodation, please include that in the letter. The applicant has 14 days from the date of rejection to respond in writing or to request a meeting to discuss the rejection of your application. Within five working days of receipt of the applicant's letter, their application will be reviewed and they will be notified in writing of the outcome of the review.

IX. Transfer Policy:

1. Transfers from one apartment to another will only be granted for medically necessary reasons in conjunction with a reasonable accommodation.
2. If a non-disabled resident is in an apartment that would enable a currently disabled resident to fully use and enjoy the premises as any non-disabled resident would, then the resident agrees to transfer to another apartment with 30-days written notice from Management at either the Management's expense or the accommodated disabled Resident's expense, depending on the requirements of federal and state law.

Public reporting burden for this collection is estimated to average 10 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. This information is required to obtain benefits and voluntary. HUD may not collect this information, and you are not required to complete this form, unless it displays a currently valid OMB control number.

This information is authorized by the U.S. Housing Act of 1937 as amended, the Housing and Urban Rural Recovery Act of 1983 and Housing and Community Development Technical Amendments of 1984. This information is needed to be in compliance with OMB-mandated changes to Ethnicity and Race categories for recording the 50059 Data Requirements to HUD. Owners/agents must offer the opportunity to the head and co-head of each household to "self certify" during the application interview or lease signing. In-place tenants must complete the format as part of their next interim or annual re-certification. This process will allow the owner/agent to collect the needed information on all members of the household. Completed documents should be stapled together for each household and placed in the household's file. Parents or guardians are to complete the self-certification for children under the age of 18. Once system development funds are provided and the appropriate system upgrades have been implemented, owners/agents will be required to report the race and ethnicity data electronically to the TRACS (Tenant Rental Assistance Certification System). This information is considered non-sensitive and does not require any special protection.

However, the owner or agent may place a note in the tenant file stating the applicant/tenant refused to complete the form. **Parents or guardians are to complete the form for children under the age of 18.**
